You are invited to the official opening of Project Holocene by artist Russ Ronat in participation with Anthony Horth, photographer.

**Anthony Horth Gallery 156 Wooster Street NYC
6-9 PM 11 October 2018**

Please RSVP by 4 October to gallery@anthonyhorth.com

Project Holocene is a collection of large mixed media drawings of endangered animals. This work brings attention to these animals and the threats they face.

Project Holocene will be shown alongside Mother Earth Aqua by Anthony Horth. These drawings and photographs are a collaboration with the shared goal of expressing the importance of conservation at this fragile time. They also reveal the beauty and interaction of Mother Earth and the animals who walk upon her.

If you are otherwise engaged on October 11th, both Anthony and Russ can arrange a private appointment with you that fits your schedule, either prior or post the event

A portion of proceeds to benefit Global Wildlife Conservation.
Special thanks to Casio corporation for sponsorship.
